## **Section Five: Impact of the COVID-19 Pandemic**

1. Please explain the impact of the COVID-19 pandemic and how it relates to your request, e.g., reduction in services, closures, increased costs, impacts to the community.

In 2020 the PSC did not allow the WVAW Co to shutoff customers service due to non pay. Therefore, some customers did not pay their sewer bills up to six months. Being a non profit we have no other means of income to pay our monthly bills causing a strain on the PSD financially. Regardless of whether the customer paid we still owed Electric bills, water bills, Bond payments, payroll, Insurance etc.

2. If you are requesting lost revenue due to COVID-19, provide that information here. Attach documentation sufficient to verify your request.

3. How will ARP funding, if awarded, aid in the recovery from the COVID-19 pandemic?

When the PSD goes thru the annual audit the ARP funding will hopefully off set a high increase in rates. Our rates are reviewed and set by the Public Service Commission. It will allow us to improve our system and provide better service for our customers.
